WINE AND BEER FESTIVAL NETS \$11,000 FOR PEOPLE WITH DISABILITIES

Developmental Services, Inc.'s second annual D'Vine Winter Wine and Beer Festival raised \$11,000 for children and adults with mental and physical challenges Saturday at the Factory 12 Loft in Columbus. Hundreds of visitors from all around the State tasted wine and beer from more than a dozen wineries and micro breweries.

"We had a big day," said Tom Harpring, DSI Director of Public Relations. "The community support demonstrated by our sponsors, vendors, volunteers, and participants was overwhelming. DSI looks forward to continually making this event better so we can continue to provide quality services for families, advocates, and consumers."

Besides wine and beer tasting the event featured live music, a DJ, auctions, raffles, door prizes, and games.

"We had so many things donated including some great prizes as well as the talent of our entertainers," said Harpring. "But it goes far beyond that. So many people made this event successful and they should all take pride in the fact they did something very special for a lot of citizens in our community."

DSI serves 30 counties in Indiana and is a not-for-profit organization that helps children and adults with mental, physical, and emotional challenges to reach their greatest level of independence at home, at work, and in the community. DSI provides programs such as early intervention for infants and toddlers, job training, placement and follow-along, supported semi-independent and

Ben and George Keller of Bloomington (1st and 3rd from left) and Shawn and Chris Armbruster of Nashville share some humor with a wine vendor. The D'Vine Winter Wine and Beer festival raised \$11,000 for children and adults with disabilities served by DSI.

group home living, respite for families and guardians, transition services, networking opportunities, and service contracts with local businesses. More information 1-800-745-7686, www.dsiservices.org.
